Assignment 44, Task 3 (Peer reviews)

Take 10 minutes to read each proposal. Then...

- Identify what you liked about the proposal.
- Identify additions or clarifications that are needed as per Task 1 requirements.
- Identify specific suggestions for improving the proposal.
- Identify what you would like to learn from the proposed work.
- Identify what you learned from the proposal that will help you with your own proposal.

Then...

- Prepare Word document that addresses each of the five bullet points, one document for each proposal (using the 5 bullet points above as headings).
- Send both Word documents to me via email.
